Dear Ms. Nickels-Cox:

Congratulations on a successful 50th anniversary celebration of the Peace Corps program in Thailand and thank you for sharing the photographs of and other information on the exciting activities that took place last month.

I regret that I was unable to join you for that special occasion, but Deputy Director Carrie Hessler-Radelet and Europe, Mediterranean and Asia Regional Director Helen Lowman were delighted to participate and represent the Peace Corps. They join me in sending our utmost appreciation for your long-standing support of the Peace Corps program in Thailand.

All the best to you and everyone associated with Friends of Thailand.

Sincerely

Aaron J. Williams
Director
