"I consider it an honor and a privilege to serve on the board of Friends of Thailand. It's a great way to stay connected with Peace Corps Thailand and to continue to serve the wonderful Thai people. I also serve as Member Chair for the Idaho RPCVs and support the work of the GLBT RPCVs. I sing tenor with the Common Ground Community Chorus, which celebrates diversity and supports human rights events in Idaho. My wife Trish and I enjoy camping throughout the USA and exploring the world."
