Dear Community Children Foundation,

Friends of Thailand is the Alumni Association of Peace Corps Volunteers in Thailand. This past August, we celebrated the 55<sup>th</sup> year that Peace Corps and Thailand have shared an amazing array of wonderful experiences and beautiful friendships throughout the Kingdom that have changed our lives forever.

As part of our celebration, we chose to do a fundraiser for your organization, the Community Children Foundation. The work you do to assist young people in Thailand reach their potential is very important to all of us, and we support your vision and goals wholeheartedly. As Peace Corps Volunteers in Thailand, most of us worked directly with children in schools and community centers throughout the country.

Therefore, we would like to donate the enclosed 99,000 baht to the Community Children Foundation. It came from a number of Returned Peace Corps Volunteers (RPCVs), former and current Peace Corps Thailand staff, as well as friends. Their names are on the list I have included with the donation.

We hope our humble contribution to your excellent foundation will help make a difference in the lives of some of the children with whom you work.

Thank you for all that you do to make Thailand, a "second home" for many of us RPCVs, such a wonderful and dynamic place.

Sincerely,

*Carolyn Nickels-Cox*
